SystemLine by **VERCO**

SystemLine Furniture -

Manufactured to the same exacting standards as all VERCO furniture, but offering a competitive price option, SystemLine brings the opportunity to satisfy the demand for a quality range of furniture, within tight budgetary constraints

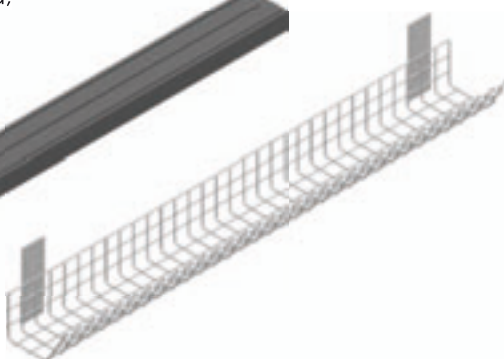

Manufactured under BS EN ISO 9001 and BS EN ISO 14001 using FSC compliant particle board. SystemLine provides flexibility, choice and value for money together with the peace of mind of a 5 year guarantee.

SystemLine is available with silver frames and Maple finish MFC tops with cable ports as standard, with optional vertical and horizontal wire management.

Available as rectangular, wave or crescent desks with basic wire tidying cable ports as standard, Systemline desking can be enhanced by the addition of vertical and horizontal wire management.

Systemline calls upon the storage elements from Verco's popular Visual furniture range and as such is able to provide a sophisticated solution to every business interior

SystemLine has been designed to conform to the following British Standards:

- BS 4875 part 5
- BS 4875 parts 7&8
- BS 4940 part 1
- BS 5459 part 1
- BS EN 15372
